

## New Life Church

We're here to  
make a  
Difference

March 7, 2010

### About Us

New Life exists to assist people become fully devoted followers of Jesus Christ. This process is called Discipleship, which is not an event, but a journey. In addition we provide a place to worship God together, and seek to share God's love through word and deed. We are more than a gathering of individuals, we are a family; and a part of the greater Family of God, which includes all those who believe in Salvation by faith in the Son of God and His finished work on the cross. We are glad you've chosen to join us this day. May the Lord bless you.

### Message Mini-Series: Jesus 101

Just a few weeks ago Pastor Jeff began a new Sunday morning series he titled "The Acts 2 Church". With Easter just about 30 days from now Jeff has launched a series within a series; a Mini-Series he's calling Jesus 101. Our series on the Acts 2 Church focuses on Worshiping the Lord while Connecting, Growing Serving and Going. This Mini-Series on the most important elements of Jesus life and ministry fits within the context of us growing in the Lord. It is our prayer that the knowledge gained about the Lord and His ministry will encourage others to follow in His footsteps.

### Sunday Evening Teaching on Mark

On Sunday evenings at the Life House, our building around the corner, Pastor Jeff has begun to teach through the gospel of Mark. Our goal is to hit the major themes as the narrative presents them, at times looking at other verses that may support or further explain what's taking place in Mark. For instance we did not concern ourselves with what John the Baptism ate or wore. But we did spend consider time of the name "Jesus Christ the Son of God" Everyone is welcome though we do not at this time have child care. The Life House is located at 15631 Oregon St. We begin at 6pm, and we always take time to pray for any and all needs.

### Don't Forget our Mid-Week Opportunities

We have lots of opportunities throughout the week to be involved in fellowship and support, including, but not limited to: Monday Night Men's Group, 7pm at the Life House. Tuesday Junior & Senior High Youth Ministry 6pm, at the Life House. Wednesday morning Women's Bible study & Prayer at 10am. Call 503-625-7359 for a schedule of meeting locations. Our Women's Ministries holds a great meeting in Heather Cleman's home each Thursday at 7-8:30pm.
